If the Alliance has a Board consisting of only one Director, that Director may constitute a meeting.

5.9 Meeting by Means of Electronic Communication

If all the Directors of the Alliance consent generally, or in respect of a specific meeting, a Director may participate in a meeting of the Board or of a committee of the Board by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting, and a Director participating in such a meeting by such means is deemed to be present at the meeting. Any such consent shall be effective whether given before or after the meeting to which it relates and may be given with respect to all meetings of the Board and of committees of the Board.
